**ORDER:**

After formation of new State called as 'Telangana', as a part of the Departments effort to promote entrepreneurship in the State, the Government is looking to set up a technology incubation centre, called 'T-Hub' at IIIT Campus, Gachibowli, Hyderabad and that will be the largest centre for start-up and entrepreneurship activities in the country. T-Hub will provide one central location for members of the local start up community to network, learn and share with each other, and for investors & start-ups to network, communicates and make deals.

**2. Vision of T-hub:**

To ensure that the next wave of technology companies have a conducive environment as well as a vibrant entrepreneurial ecosystem within the State to go through the entire cycle of growth from the seed stage to maturity.

**3. Objectives of T-hub:**

- a. To develop a nature friendly ecosystem for providing the requisite support and unleash the entrepreneurial spirit amongst the new age youth and in-turn job and wealth creation.
- b. Connect different incubators in the Telangana region to ensure that the requisite support to them is provided through the T-Hub.
